

NEXTGEO ATTENDS THE FIRST EDITION OF “MID&SMALL IN PARIS 2025” EVENT AND THE LONDON ROADSHOW ORGANISED BY ALANTRA CAPITAL MARKETS

Naples, May 19, 2025 – Next Geosolutions Europe S.p.A., a leading international company in the field of marine geosciences and offshore construction support services, mainly in the energy sector, with a focus on renewable energies (“**NextGeo**” or the “**Company**”), listed on the Euronext Growth Milan market, announces its presence, on Tuesday 20 May 2025, at the first “Mid&Small in Paris 2025” event, and its participation, on Wednesday 21 May 2025, in the London Roadshow organised by Alantra Capital Markets.

The “Mid&Small in Paris 2025” event, which will take place at the prestigious location of the Mandarin Oriental, - organised by Virgilio IR, with the support of Mediobanca, and sponsored by CDR Communication and Barabino&Partners International - is dedicated to listed Italian companies that will have the opportunity to illustrate their results to international investors, in one-to-one and small group meetings.

Alantra's exclusive Roadshow, on the other hand, will represent a further meeting and dialogue with institutional investors in a prestigious marketplace such as London.

In Paris and London, representing the company, Chairman Attilio Ievoli, CEO Giovanni Ranieri, CFO and Investor Relator Giuseppe Maffia and Market Analyst and Investor Relations Vincenzo Marotti will present the company, its future prospects and ambitious growth targets.

This press release is available in the Investor/Financial Press Releases section of the website <https://www.nextgeo.eu/>. Please also note that, for the dissemination of regulated information, the Company uses the eMarket SDIR circuit managed by Teleborsa S.r.l.

ABOUT NEXTGEO GROUP

Next Geosolutions (NextGeo) is a leading international group in the field of marine geosciences and support for the construction of offshore infrastructures in the energy sector, with a particular focus on renewable energy. Founded at the end of 2014 and part of the Marnavi Group - Italy's largest shipowner operating globally in the offshore sector - NextGeo offers high-quality consulting and engineering design support services and turnkey solutions, thanks to significant established know-how in the offshore sector. With an extensive fleet of state-of-the-art DP 2 class vessels, belonging to and/or owned by the Group, and a multi-ethnic team of more than 550 qualified and experienced professionals, NextGeo provides a wide range of services from specialised consulting in the field of marine geophysics and geotechnics, environmental and archaeological surveys to the identification and removal of UXO (Unexploded Ordnance Disposal investigations), as well as offshore construction support services. NextGeo ended 2024 with a value of production amounting to € 203.3 million and a net profit of € 43.1 million.
