This press release is available in the Investor/Financial Press Releases section of the website <https://www.nextgeo.eu/en/>. Please also note that, for the dissemination of regulated information, the Company uses the eMarket SDIR circuit managed by Teleborsa S.r.l.

ABOUT NEXTGEO GROUP

Next Geosolutions (“NextGeo”) is a leading international group providing marine geoscience investigation and offshore infrastructure support services for the energy industry, with a strong focus on renewable energy. Founded in late 2014 and part of the Marnavi Group – the largest Italian shipowner operating globally in the offshore sector – NextGeo offers engineering consulting, high-end survey and turnkey solutions, leveraging deep expertise and operational excellence in the offshore domain. With a modern fleet of DP2-class vessels (owned or operated within the Group) and a multicultural team of over 550 qualified professionals, the Company delivers a broad range of services including geophysical and geotechnical marine surveys, environmental and archaeological investigations, UXO identification and clearance, and integrated offshore construction support. In 2024, NextGeo reported a production value of €203.3 million and a net profit of €43.1 million.
